

Advance Placement German

Students in Advance Placement German are to complete the following over the course of the summer:

Create an electronic journal, in which you write your thoughts, feelings, ideas, and what you have done, as you would keep a journal in English. Vary the tenses, using present, past, and future with werden.

You will need to submit 5 days worth of journal entries 4 times over the course of the summer (20 days total). They should be submitted by the following dates: July 15th, and 31st, and August 15th and 31st. You may submit them either in writing to Herr Mueller's mailbox in the front office at Tallwood, or via e-mail to john.mueller@vbschools.com.

Please make sure you complete all four assignments, as they will be graded as part of your first nine-weeks grade.

Teacher's summer hours will be the following:

July 15th, 2009 10:00-noon

***August 3rd, 2009 10:00-noon**

*** Please note the change of date from the original schedule**
