Student Search Service® (SSS®)
Say "yes" to this free College Board service and you'll hear from colleges and scholarship programs looking for students like you. Here's how it works: We send basic information about you (such as grade level and intended college major) to a variety of schools and programs. Your test scores are not sent. Then the schools and programs send you information

For your user name use your FIRST INITIAL and your LAST NAME so your teachers can help you with your results
